III. Old Business:

- A. Credit Card Use – Nothing new.
- B. Range Development Conference – Terry C. attended the conference and brought back a newer Range Service Book and DVD. One of the issues he learned was our ventilation system should have both sides running and not independently of each other. Priority of upgrades would be our backstop replacement with a new granular rubber system. Installation cost of approx. \$40,000. Terry will report in more depth later.

IV. Committees:

- A. Building and Safety – Changed lower filters on one side. Lane seven went down taking the other four lanes with it during the Pistol League. It was figured out and repaired. The bid by another janitorial service came in a little high. Peggy W. will investigate further.
- B. By-Laws – Nothing to report.
