- D. **Incident review** – Based on previous incident write ups and conversations, two members came before the board this evening to explain why they were collecting brass from all of the lanes, not just the ones they were shooting from. One member was very contrite and even apologized for his actions. The other member, on the other hand, was full of excuses. He said that in all of the other ranges that he belongs to, he always picks up all of the brass he wants. In fact they are grateful to him for cleaning up the place. It was explained to him yet again, that's not how we operate. They were also told about the mops with the sign taped to it are not supposed to be moved past the red line, otherwise it contaminates the whole room. It was M/S by Christian N. and Bill M. that both members would reimburse the Junior Marksman \$25.00 each, otherwise their access cards will be turned off and they will be banned from membership at PMS. Motion carried.
