Created over 100 years ago I can still be found in guns on the firing line with mind numbing regularity even today.

CPR Class
By Debi Sanks
There are 500,000 deaths in US caused by coronary (heart) attacks. That means that every day 1,400 people die from a heart attack. The majority of these deaths, 80%, occur outside the hospital. If these patients received CPR, we would save 200,000 per year or 550 lives per day. The class given at the range teaches you to recognize and treat life-threatening emergencies, it includes a First Aid Course letting you know how to manage illness and injuries in the first few minutes until professional help arrives.

We trained nine members of the range RSOs in June. The more people we can train the safer everyone will be at the range. The next class will be in September. The cost is only \$30, not much money if it saves a life. If you are interested in taking the class, please email Debi Sanks at debi@pinkonpink.org

JULY BOARD MEETING MINUTES

I. Call to Order - The meeting was called to order by President Leonard Jimenez at 7:00p.m. Board members –Bob Covington, Rick Taullie, Paula Mitchell, Leonard Jimenez, Peggy Walker, Ron Wiley, Chuck Wingfield, Les Keator Board members absent - John Bouche

II. Minutes - It was M/S by C. Wingfield/L. Keator to approve the minutes of the June 9, 2014 meeting. Motion carried.

III. Financial Statements – Peggy Walker presented the financial report. It was M/S by L. Keator/R. Wiley to approve the June 9, 2014. Motion carried.

IV. Old Business

Building and Safety Committee – Alan Marck accepted the contract for balancing the system and will be able to complete the work in one day. Filters will be changed and will be tested both dirty and clean. There will be an electrician on site and we will need to provide helpers. The range had to be shut down due to safety concerns caused by the backstop. A video was shown to the board and assembled members so that there would be a better understanding of what needed repaired and how the backstop worked to absorb bullets. A crew will begin repairs on Wednesday and repairs should be completed within 3-4 days for an estimated cost of \$6,900 to \$7,200.

Youth Fun Shoot – We have received positive feedback on the first session. James Brown submitted an organized outline of what is necessary to submit to the NRA when applying for a grant. Grants are more likely to be given when materials are requested rather than money. M/S L. Keator/B. Covington that the feasibility of PMS sponsoring future family events

be considered. Motion approved. Mrs. Taullie video taped the day's action and put together a video of the event that was both informative and entertaining that can be played at the range.

Jr. Marksman –

We are expecting two full groups per week for the fall session. We still need at least one more instructor.

Annual Banquet – We are looking for volunteers outside of the Board to start planning the annual event.

Comcast Survey – Peggy Walker has compared costs of the current internet provided with the cost of changing to Comcast and found that the cost of changing is not feasible.

Summer Activity –Les Keator and Ron Wiley will coordinate the summer get together. Rick Taullie and Leonard Jimenez will work on prizes for the event.

Membership – Currently there are 301 family memberships, 294 senior memberships and 26 life members.

Education Committee – The CPR training went well with 9 people attending. We are planning another session and will announce the date when one is chosen.

RSO – There will be an RSO class on July 26, 2014. There are currently 28 people on the list with 15 active participants. RSO guidelines are being updated and will be submitted to the Board when they are completed for review.

Standard Operating Procedures – The Incident Review forms were submitted for review. The new form has been streamlined and all effort has been made to reduce duplication of information. M/S R. Wiley/B. Covington to accept the new forms, motion approved.

V. New Business
No new business.

It was M/S by L. Keator/C. Wingfield to adjourn the meeting. Motion carried.

Respectfully submitted,
Paula Mitchell

Support the Range by Taking AR15 class!

By Rick Sindeband

To support the range leagues Debi Sanks, Rick Sindeband, and Patrick Watts are sponsoring a AR15 cleaning class on September 21, 2014 from 1 to 5 PM. Even though the guns cannot be shot at PMS we want to make sure you know how to clean and maintain your AR15. The group will donate \$20 for each student that takes the class to support the PMS League program.

there are several ways to enhance trigger control. One good exercise is the penny drill. You should be able to dry fire a handgun with a penny on the front sight and not have the penny fall off.
